INF4027WCoding Presentation Iteration 4 Marksheet 2026 Student:		**TOTAL MARKS – 56 (weighted at /50)**
Mark:		

QUESTION	**MARK**					**COMMENT**
Technology used • **Appropriateness of the technology used** • **Considerations on practicality, costs, scalability etc.**	0	1	2	3	4	
Database • **Appropriateness of the database used** • **Connection to the database** • **Structure of the database**	0	1	2	3	4	
Coding Structure • **Framework used for the application e.g., MVC** • **Uses best practices for coding**	0	1	2	3	4	
• **Object Oriented Concepts** • Classes; encapsulation	0	2	4	6	8	
Data Validation, Controls & Security	0	1	2	3	4	
Key features work correctly. **MVP.**	0	2	4	6	8	
User Interface	0	1	2	3	4	
Ease of navigation	0	1	2	3	4	
APIs • **Appropriateness of APIs used** • **Considerations on scalability, costs, maintainability, security** • **How APIs are called and used.** • **Fallback mechanisms.**	0	1	2	3	4	
Integration of components, scalability, maintainability. **Separation of concerns.**	0	1	2	3	4	
Sophistication & Complexity	0	1	2	3	4	
Overall Evidence of effort /	0	1	2	3	4
